

Keynote Speaker

TORGUN LIVELY

Torgun Lovely has been with Liberty Common School for 15 years, working in various teaching and leadership capacities. He started as the school's Math Specialist teaching classes while overseeing the school's entire k-9 mathematics program. In 2010, as the school was expanding to offer grades 10-12, he helped orchestrate what was to become the State of Colorado's top-performing high-school math department. In 2013 he was promoted to serve as the school's first Assistant Principal, and then was promoted into the high-school Principal position in January of 2018. He has played an instrumental role in the high-school's success by ensuring adherence to rigorous, classically-oriented, college-preparatory academic standards, while simultaneously cultivating vibrant student-life programs, particularly through the implementation of junior-high & high-school athletics, a high-school House system, and a junior-high Order system. He holds a Bachelor's degree in mathematics as well as a Master's degree in business administration, both from Colorado State University in Fort Collins, CO.

He and his lovely wife of 22 years, Kathy, have raised two lovely children, Hannah (20), and Mathias (18) - both of whom love Jesus, are attending Grand Canyon University in Phoenix, and are Liberty Common Eagles through and through.

COST:

\$150.00 (LCA families, this fee is included with your re-enrollment fee)
