# A MESSAGE FROM OUR HEAD OF SCHOOL

*Liberty Classical Academy has a bright future as we continue to grow and navigate the changing culture...*

LCA has a bright future as we continue to grow and navigate the changing culture around us. We are thankful to be firmly anchored to the rock of Jesus and stand fast to the truth in His word. I appreciate LCA's excellent board for engaging Champion Group to help us solidify the next steps in our strategic plan. It is always helpful to have outside voices with experience give us feedback and input. As always, I'm pleased and grateful that we have such a dynamic learning community here on the Western Slope. Our staff and families are passionate and continually learning and improving in the knowledge of what good Christian, classical education looks like for our community.

As we move into the next phases of our LCA Strategic Plan "Ready, Set, Grow," we are celebrating the recent successes of our school community. Looking to the future, I'm reminded of Isaiah 30:21, "And your ears shall hear a word behind you, saying, 'This is the way, walk in it,' when you turn to the right or when you turn to the left." We believe God wants LCA to grow. May our ears be in tune with His voice. I hope you will join us in this adventure as we expand our influence over the next several years.

# CORE VALUES

## AT LIBERTY CLASSICAL

### CHRIST-CENTERED

*We believe that Christ is in all things and in Him all things hold together. Christ infuses and integrates all our teaching, across all subjects and disciplines. We seek not only academic excellence but the formation of virtue.*

### FAMILY-ORIENTED

*We believe that God has designed the family and ordained parents as the authority over their children's education. We are privileged to assist parents in their responsibility to bring up their children in the fear and knowledge of the Lord and His world.*

### CONNECTED COMMUNITY

*We believe that God intends for families of faith to live together in a community of shared relationships and experiences. We endeavor to communicate clearly and often with our families in order to build a school culture that fosters student and family connections.*

### IN ONE ACCORD

*We believe that as followers of Christ we are called to live in harmony with the same purpose and spirit. We desire to be unified and to move towards a common goal.*

### SERVANT LEADERSHIP

*We believe God has called all believers to live a kingdom-minded life. We seek to develop students who walk in excellence and integrity, able to lead in their unique spheres of influence.*
