- Extended Day - \$20.00 per day as needed (Prices subject to change)

Educational Philosophy

The foundation of our preschool program is based on a Christian classical understanding of the world and the Charlotte Mason method with elements of Waldorf and Montessori interwoven. Liberty Classical Academy Preschool places emphasis on good living books and stories, first-hand life experiences that cultivate good habits and educational methods that foster and nurture a child's creative mind. During our class time the group will participate in activities that promote their natural curiosities and nourish their minds with truth, beauty and goodness. We believe that each child is a unique individual created by God. Our children need a secure, caring and stimulating atmosphere in which to grow and mature intellectually, emotionally, socially, physically and spiritually. We partner with parents to encourage them in growing their children to become the person they are designed to be.

Admission Procedure

To begin the admission process an interview with the family will be arranged by the Preschool Director. After the interview, families must provide the following: a completed application form, an \$80.00 one-time, nonrefundable application fee, and a yearly \$120 enrollment fee. After reviewing all documentation the Director will notify the parents in writing whether or not the student has been admitted. All financial arrangements between the family and the school must be understood before final admission.

Admission Requirements for the Parents

Though not required to be Christian, the parents of the students in Liberty Classical Academy Preschool should have a clear understanding of the biblical philosophy and purpose of the school. This understanding includes a willingness to have their child exposed to the clear teaching of the school's Statement of Faith in various and frequent ways within the school's program.

Please make sure to answer all the questions in the application form, incomplete applications will not be accepted
